“I have taken many types of classes over the years. I can say without any hesitation that the Avesa Medical Intuitive program had a a more profound impact on my life than any other course I have taken---even MORE than my Master’s Degree!

From the very first class, we were reading client’s energy flows and understanding how blockages manifest as symptoms.

Sri’s vast knowledge coupled with the integration of Avesa healing techniques makes this program UNLIKE ANY OTHER!

Since completing the AMI program, I work with my clients at a whole new level.

I have a deeper understanding of their challenges, and I communicate with them more effectively than before. AMI added new dimensions to my Holistic healing practice, and my clients are having AMAZING RESULTS! It is such a joy to have the tools learned in the AMI program and use them to assist others in making deep and lasting changes.”
