You heart has said YES to serving the world through the presence of your being-ness. Entering the Crystalline Atlantean Healing Chamber RAPIDLY ESCALATES your Self-Ascension process.

In this conscious moment breathe in Divine Love for the journey you have taken to be here, right now, in this moment. Imagine where you are ready to go now!

You are Here! You are Ready! You are Open, and You are Guided!

Trust yourself, trust the process, trust the Universe. It is time...and you already know that.

Sacred San Pedro* at TBM

One sacred journey is included with your program...San Pedro can be a useful tool to open up the portal that allows us to experience our true nature and/or see more clearly the blocks that keep us from a deeper realization.

**If you prefer NOT to participate in the San Pedro journey, you will experience a Self-Ascension Journey with Sri & Kira*

It is often beneficial to do a series of journeys where we have a day or two break in between to process what we have seen and then do another journey to go deeper.

With this in mind, we are offering the opportunity to experience a second San Pedro experience at the end of our eight day retreat with a few days added as an extension, see page 12 for details.

**TBM is blessed to be located WITHIN
THE SACRED VALLEY of the Andes
where San Pedro grow
organically and abundantly!**

**Through a very special process only the highest quality
San Pedro is harvested for our ceremonies.**

Your journey will be hosted by New Shamanism Master
Johana Sand onsite at TBM.

Your safety and highest service are our primary concern!
