# Sacred San Pedro Medicine Visioning Journey of Awakened Mastery at TOSA Blue Mountain

## *What is the gift of San Pedro?*

It begins with a **connection** with gentle people, loving spirit...and through this connection it ignites the harmony of your heart. It then calls forward Passionate action through deep love in sacred union, with the blessing of nature as an expression of the cosmos.

Lovingly grown and properly prepared San Pedro medicine gifts you with the exquisite experience that Opens your heart without restrictions. ***Imagine your heart, free and filled with divine insight and compassion as you cleanse away hurt, pain and confusion.*** Lovingly awaken your dormant mastery and RECEIVE the multitude of messages and gifts that will pour through your journey.

***Safe and guided, you are assisted to move through your journey in your unique way and with extraordinary support from those who care about your experience...***

For many, this is where the journey may stop. And...yet, the most valuable gift is still ahead! The sacred covenant of experiencing the upliftment of San Pedro is far from a “drug” you take to “get high” or due to fascination. It is NOT something that you need to do twice to receive the benefit.

***A sacred medicine journey is a call from the heart that awakens your inner spirit to come forward and lead the way...***

The rare opportunity to honestly let go of the ego and come forward as the master in form without the overlay of the energies of the third dimension such as fear, anger, guilt, shame, resentment, lack of forgiveness and more.

At TOSA Blue Mountain we hand harvest our pure San Pedro from our gardens and call forward great Presence, Reverence and LOVE for this gift from our mother Gaia. **TBM offers BOTH ingesting and Non-ingesting San Pedro experiences!** As we only use FRESH ORGANIC San Pedro harvested from our own land we also offer the rare opportunity to experience the San Pedro Harvest and preparation as part of your journey. Please ask for details!

If you would like to experience this divine gift, please write us at: [Services@TosablueMountain.com](mailto:Services@TosablueMountain.com).

## Authentic Mayan Fire Ceremony with Sri & Kira

Sri & Kira lived with the highland Maya in Guatemala for five years and were blessed to become confidants and accepted by the Mayan Elders. Written into the book of days of the Maya, Sri & Kira are the custodians of four original Mayan Naguals that were gifted to them with the express “mission” to always create a proper ceremonial site for them and to offer authentic ceremony from the space of Sincerity, Love and Presence.

Prior to their leaving Guatemala for Uruguay, Sri Ram Kaa was honored to be consecrated by the High Priest of the Mayan at Lake Atitlan as a fully trained lineage holder Mayan Priest. Kira Raa was honored as a Curandera of Spirit and one who possess great connection to the unknown realms. A fire ceremony with them at the authentic site at TOSA BLUE MOUNTAIN is a multi-hour experience that is beyond description.

*TOSA Blue Mountain is home to an authentic Mayan Ceremonial site. Sri & Kira were blessed by BOTH the High Priest of the Mayan and the High Oracle of the Maya to personally create each ceremony. This is a rare treat as these active priests who normally do not make themselves available to “outsiders” spent many years with Sri & Kira.*

Sri & Kira prefer that a ceremony be **reserved in advance** and make the final decision if they are willing to offer you a ceremony based upon your highest good.

This ceremony is the real thing! This is not a “tourist ceremony”. If they agree, they will select the day during your stay with that best suits you according to the unified energy of Ascended Numerology, The Mayan Calendar and your intentions.

Please let us know in advance if you would like us to bring your request to Sri & Kira and we will advise you of their decision at which time a deposit is required to secure the dates.

**Ceremony cost for up to two participants: \$225**  
**Additional participants up to 6 total: \$44**

*A RARE PHOTO of Mayan Priest Don Simeon during the preparation phase of a sacred ceremony with Sri & Kira. Photos were always forbidden except this one moment when he REQUESTED this photo be taken and shared freely! Enjoy!*
