Archangel Zadkiel speaks through Master Lady Kira Raa

Yes! WE...ARE...HERE. IT IS...with a glorious hello and good afternoon, that we offer to thee a re-cognition, and an opening, to a portal of divine service and re-cognition. Hello! Beloved Ones. Yes! Hello.

IT IS...with great servitude and humility, we to offer thee the re-cognition, that this time of abundant clarity has, indeed, come forth...for YOU.

Beloved Ones! As you step out now, into **a** world that you have been born into, we wish to offer to you several pieces of the puzzle today.

We feel that IT IS...the time. Indeed! YOU have called forth this time to share these, *as you would say*, corner pieces of the puzzle. You would say, Beloved Ones, *'we have all these other pieces put together, we feel so settled and comfortable in our exploration and discovery.'*

As if we have been putting together the middle of the pie, and say, oops, where's the crust? Perhaps the crust has appeared, or the corner pieces of the puzzle, whichever you wish.

The Divine Illusion

We begin today discussing what you would call doubt. You know this word? Of course you do! D-O-U-B-T! As we offer the explanation, understanding and expansion of this energy of doubt, it first ignites with the re-cognition of why IT...IS...that YOU arrived into a world where lying is a way of life.

You say, "Oh Zadkiel, we do not wish to hear that! This is uncomfortable to hear." We say OK, we will try to make it more comfortable for you.

Beloved children! YOU...CHOSE...to come to a world that is filled with Divine illusion.

YOU...understand at the core level of your soul, that every- THING expressing here is, indeed, a form of what, the stronger word would be, is a lie.

This is not the truth of who YOU...ARE¹!

YOU...came into this world to dance. To BE! To joyously celebrate! To reunify with density. To express! To evolve! To feel! To BE in the glorious body! To re-cognize what density is.

AND! Within your cellular core crystalline re-cognition, YOU KNOW this² is a lie. So why would it be a problem to lie about everything, when every- thing is a lie? My goodness, this could be kind of hard to hear!

When YOU enter into this world, the first gift YOU are given is the re-cognition that YOU...ARE...HERE...to re-member, to re-unify, to re-up as they would say.

When we offer you the understanding of re-upness, we are not talking about enlistment. There is no boot camp here; although many would think Earth is boot camp! As we offer YOU the Divine re-cognition of coming into this re-unified energy, this re-upness as they say; ***IT...IS...imperative that you walk through the energy of illusion, through that which is known as the lie.***

The Density Model of Illusion

Many many lies oftentimes begin when you are told not to lie. *Did you break the vase? Not me!*

***IT IS...important to understand, that as you are trained to be in integrity...
IT IS modeled for YOU...not to BE. Because density is based on a model of illusion.***

**With density based upon the perpetuation of illusion, and
with the model of illusion as the framework for the energy that comes forward,
is it not the perfect, perfect, perfect place,
to come back into the true integrous recognition of your divine perfection?**

¹ This is a direct reference to the eternal nature of the true self. The invitation to lift through the distraction of the illusion to allow the remembrance of your divine nature to emerge and anchor INTO FORM.

² "This" being the reference to the co-created experience of this world and form.

Beloved Ones! IT IS...as you accept the lie, or the illusion, as the truth, that doubt takes hold within you. The doubt that comes in from a universal core energy. This is why it is so prevalent, pervasive, and power-full in your world. The two are intertwined!

You are unable to fully remove doubt while you are still in belief of the illusion.

Doubt Dispers Undeniable Truth and Trust

If our message of the lie feels uncomfortable, then you are in doubt. And! This is good, because YOU...know! What is doubt?

When you accept doubt into your experience, you have accepted the illusion as real. The perception that your divine presence is flawed in some way.

Whenever you seek an answer or response, to a doubt that has arisen, this is because the illusion has manifested as true for you. You have taken an undeniable truth...the truth of your divine presence...the love...the gift...the expansion...the light...and you have thrown it away. You have dispelled it.

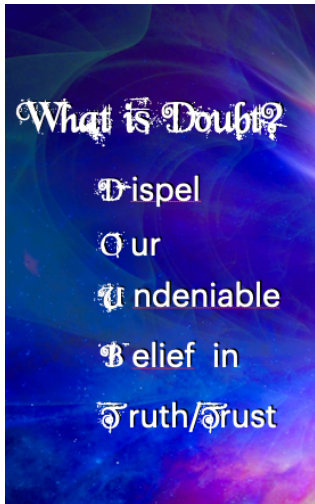

Whenever you seek to dispel truth, doubt enters. Does it not? Because you have accepted the illusory experience, and in the acceptance of the illusory experience, many lies are told in the name of illusion to protect the illusion. To keep the illusion, to propagate the illusion, to keep you bound to the illusion.

Perhaps someone, at some point in your journey, said that you were not enough. Perhaps you have gone through a time in your life when you felt that you were not loveable. That you did something wrong. That you were a root cause of something that was not right.

Beloved children! In that moment, you have dispelled the truth of who you are and offered great, great, great empowerment to the lie.

For it is a lie that you are not enough! It is a lie that you have done something wrong! It is a lie that all of your actions have not been in divine perfection to offer your demanding, dynamic, power-full wondrous energy, ALL it needs to be in divine wholeness.

Beloved Ones! What is doubt? D-O-U-B-T.

It is when we dispel our belief, our undeniable belief in truth, in trust.

When you dispel your belief, your undeniable belief, in truth and trust, you have created doubt.

Doubt dispels.

Doubt takes away the undeniable truth.

The Gift of Faith

When you have truth you do not need faith. When you have faith, you deny truth. Faith declares, *'I do not myself believe that I am enough, so I will create an energy to encourage me to try to dispel doubt.'* That is the gift of faith!

IT IS...an energy that encourages a cellular release of doubt. Once you have grown through that, you reconnect to the truth. Once you know the truth without any doubt, there can only be trust.

Once you ARE the Trust of the Universe, there is only Love! Trust and Love are interchangeable in the Universal harmonic of ALL that has ever been.

Beloved children! Living in the lie, you do not trust. Indeed! The gift of a lie is that it disconnects you from trust, does it not? *'Oh, they lied to me, cannot trust them.'* What a gift!

Perhaps in the lie they offered you a divine re-connection and re-union that lying is only natural in a world of illusion.

***If you wish to truly be free of a world of illusion, stop lying!
About every-thing! Especially about yourself.***

Lies to Protect the Mind

Beloved children! If you were to take an assessment, *a very densified word assessment*...If you were to take an assessment of your own lies...without judgment...how many are said toward your-self? How many lies are offered to protect the mind?

The mind seeks to be protected as it is a self-preserving entity bound into density. The mind will do every-thing it can to keep YOU here as it is a self-preserving entity to bind YOU to density. How cool is that? Very cool.

AND! As YOU ARE able to re-cognize and arise, in the re-cognition that this illusionary experience was created for you, by you, as you, then it simply dissipates. Your Self-Ascension becomes the glorious reunification within a dimensional experience³ well beyond the 3rd.

Responding to Lies With Divine Re-cognition

Beloved children! Each time you feel a lie within your-self, each time you are the recipient of the lie of another, in that moment, bring your hands to your heart and thank them for helping you to see the illusion! This is all that is happening.

There is no injurious act unless you call it forth as one. How many times in this lifetime now have you felt injured by the lie of another when this opportunity was gifted to you? To offer YOU the re-cognition that this is simply density, loving density, loving density⁴.

As your hand comes to your heart, see the divine recognition that ALL lies offer a deep portal to freedom...a deep portal. They are the natural manifestation of a world of illusion. How could they not be? This unfolds as you understand the illusion itself is a lie. Yes!

³ Verification of the timing of the unlocking of this insoulment! 2021 is the time of consciously living in concentric dimensionality. The ability to sustain the highest consciousness available in form through the Mastery of the Yoga of Self-Ascension.

⁴ To witness this state of awareness...density loving density loving density, is a reminder to remain in multi-dimensional presence as the Witness, Witnessing the Witnesser as the Witness!

Freedom from Doubt

As YOU ARE...able to re-cognize that doubt, *doubt*, **doubt**...is the core lie, then YOU ARE...able to break free into the undeniable truth of your presence. The undeniable trust of YOU...your Oneness, your full-ness, your abundant nature, ALL that has ever been.

*Beloved children! YOU...ARE...at a grand and glorious time
as you are able to recognize this powerful discernment.*

As you may wish to continue in doubt among ALL things, we encourage you to truly doubt well! Tell big lies! Have fun! If you're gonna do it, do it well! Why stop at the little ones⁵? Beloveds, the ranking system for lies is a density model, is it not? In density, every-thing must have its space, 1+2+3, higher-lower, lighter-darker, bigger-better, whatever.

Beloved children! Offer to your-self the freedom from doubt.

What would your life be like in this moment, right now, without any doubt?
Without any doubt that ALL that you need to take care of YOU is abundantly before you now?
Without any doubt that ALL Love is yours to claim?
Without any doubt that every-thing in your life is divinely happening to support your greatest expansion, unfoldment, love and presence?

When you are able to walk without doubt, then the water cannot sink you.

There is a great, great, great story in your world of one who has walked on water. Perhaps it was because one walked without doubt. When you walk without doubt, how can you sink? When you walk without doubt, how can you be harmed?

When you live in the divine re-cognition that ALL lies are simply part of this world. They cannot ever touch the truth of your divine presence. How could you ever be less than in joyous re-cognition for every moment? Every present, every second, every single being, and experience.

⁵ As of the date of the unlocking of this insoulment, March 29, 2021, the energy of distrust and untruth is rapidly gaining momentum throughout a polarized societal experience. This re-cognition of the energy of the "lie" offers a depth of mastery to the conscious awareness.

Beloved children, YOU ARE...walking HERE...NOW...do you dance with doubt? Perhaps doubt is a playmate, no? *OK, come play with doubt today, then put it in a closet to play with you tomorrow. It is OK.*

Perhaps you tell a lie because the illusion is so big in your life it feels congruent. Perhaps the lie that comes forward is not even apparent to your own consciousness, because the illusion is so apparent. These happen more often than many are aware of. What a gift! IT IS...your consciousness, your presence, that will dispel the doubt.

Beloved children! BE present in the re-cognition that YOU...ARE...at the time of Oneness. In this great time of reunification and Oneness, the All-ness experience offers YOU every-thing without reservation! Including abundant heaps of doubt. No? It's a two-scooper. IT IS...OK!

Doubt and Hope

Beloved children! What is it you wish to accomplish in your world?

Do you doubt the ability of this world to sustain thee?

Do you doubt the ability of this world to sustain your Being as humanity, as you know it?

Are you doubting ALL that is around you?

Indeed! Where doubt is pervasive in your life, is where illusion has the greatest hold on you. It's not just one aspect of your life. IT IS...ALL of it.

Beloved One! Gaze within and notice: *'how cool is this, here I doubt, here I don't.'* Little song, right, "here we go a-doubting..."! Whatever works for YOU! IT IS...OK!

As you offer to your-self the re-lease of the lie, doubt dissipates and the truth surfaces! There is no need for faith in the process and re-cognition of truth. YOU ARE...released from *hoping* something will come forward.

Beloved children! You **hope** because you doubt the outcome. *'I hope it will be so'*, is the same as *'I doubt it will happen.'* The ability to hope is merely a coping mechanism for your world. *'I will hope my way through, because to look at the truth means I must walk through my doubt.'*

To be in the divine trust of the present gift of ALL that I have ever been, and all that I may ever BE, means I must stop lying to my-self. To stop lying to my-self invites me to re-cognize, indeed, every-thing around me is a stunning illusionary hologram created to support ALL that has ever been! Are you ready Beloveds truly to embrace an Ascended Life?

Moving through the Mind's Reaction to Re-leasing Doubt

In the process of Self-Ascension, in the process of offering to thyself the re-cognition of the upliftment of ALL that has ever been, your mind will throw a tantrum unlike one you have ever experienced. It will encourage you to doubt!

Pay attention! How many times does your mind come forward and say *'this could not be true, come to me little one.'* Yes! The mind is the stranger with candy. Pay attention. How much candy do you need? Sometimes so much it makes you sick. OK! Do what it takes! Allow yourself the gift.

***Can you re-cognize that doubt dispels our undeniable belief in truth and trust?
When you release your doubt, you release the illusion.***

Choosing TRUTH in Every Moment

As you truly step into your truth, YOU will celebrate any lie that is put in front of you. It shows you again the illusion, as it assists your expansion. Beloved children! Many in your world are lying in big ways. ***They are doing it so you will wake up and remember.***

You have big headlines that you can choose to believe, or re-cognize as illusion⁶. There will be many events in not so many months, where many will do their best to make you doubt you-rself, to doubt what you saw, what YOU...experienced.

***With your undeniable truth in front of you, only your doubt takes it away.
Doubt is the pervasive energy of density. Many will do every-thing possible to sustain the illusionary energies. Encouraging you to doubt that which YOU...KNOW...is true.
This is why we come forward today, in this moment...now.***

⁶ Sharing this specificity directly reminds us all to call forward Ascended Spiritual Discernment. To let go of the illusion of the "headlines" that cause continual doubt. This is yet another confirmation of the timing of the unlocking of this insoulment.

More than ever, in your world now, IT IS...imperative for YOU to make a choice.

Doubt, and doubt well. Go deep into the lie and enjoy it. IT IS...good. IT IS...OK. Or, re-lease the doubt and understand the divine gift that YOU...ARE...without doubt. This is not a conversation to have with friends and drink tea over, ***this is a truth that YOU own, live, breathe, BE, DO! Every moment...every breath.***

Opening a Divine Universal Portal of Energy

Breathe in this moment, and exhale. We encourage you to sit as straight as you can and invite your breath to relax. In this one moment, doubt does not exist. In this moment, there is no doubt. None.

You know and understand the gift YOU...ARE as this expression in the full-ness of ALL. YOU...ARE...fully supported and abundantly showered with ALL universal connection, energy, love, light, understanding, re-cognition, and presence.

Time stands still because there is none. Breathe in. And so it is.

Beloved Ones! The moment that you just gifted your-self has opened a Divine Universal Portal of Energy. You open this every time you allow yourself to consciously breathe without doubt. The more you do this, the simpler, faster and more beauty-fully YOU will transition from illusion, if you wish. We offer this gift to you.

We will take questions.

Question from the audience: *My question is how do I discern between the sacred potential relationship, and the sacred partnership?*

Beloved One! Do not hide any aspect of your truth. Begin there. Ask your-self: *Am I fully present in all aspects of my truth? Am I compromising, modeling and/or mirroring an energy that comes from a place within the physical realm of my emotional body that wants union?* Start there! ALL...WILL...reveal itself.

Beloved children! Re- cognize within your world now, lies are everywhere.

How do you choose now to interface?

Where does the illusion still pluck at you?

Where is your doubt?

Beloved Angels of Light, anchor in your divine presence, or anchor in density.

Simply make the choice and hold on baby! There is a big ride ahead!

Many blessings!

Beloved children! We see you! We recognize you! We are honored to simply BE. And so it is!
