### **“The Code of the Mantra of Self-Ascension”**

*Delivered at the TOSA Self-Ascension Center*

*Antigua, Guatemala, Central America*

*Through Wisdom Teacher Sri Ram Kaa & Angelic Oracle Kira Raa*

*November 2013*

#### ***The Benevolent Ones speak:***

Hello beloved ones. Hello. Many of you have not heard from us directly in a while. We are known as the Benevolent Ones. And it is our honor, and our gift, to come forward now, sliding through the dimensions, as you slide through the dimensions.

#### **Preparing without Exclusion**

We come now with great presence, love, joy, and preparedness for the next cycle of all journeys. We communicate slowly...and through this vessel...with a healing light emanating from the ocular area and through the muscular system<sup>1</sup> to offer to you a gift...A gift.

***It is the gift of preparedness for the next cycle of all journeys...  
All journeys without exclusion.***

This is where we begin to invite all beings who choose to remember, to lift through the energy, the belief, the pattern, of exclusion.

***Exclusion is a perception. Exclusion is dense.  
Exclusion is in direct contrast to love in its energetic vibrational form.***

***You see, exclusion is often hidden behind for reasons that are born of a density mind.***

ARCHANGELIC INSOULEMENT

*"If I exclude one, then I protect myself. Or if I exclude this person, this energy, this moment, then everything else is okay."*

***Yet, when exclusion enters, in any form, it distracts from the totality of the wisdom of the divine witness.***

In the wisdom of the divine witness, there is all-ways, all-ways, the gift of totality. It is in the embrace of the gift of totality that you could, as they say, walk through the lepers, and remain whole, complete, and unaffected.

We offer this as an example because it has a biblical understanding, it has a broad understanding, and it has a universal understanding.

## **Walking through the Valley of Lepers**

What is a leper?

One who has chosen to experience exclusion. And one who walks through the valley of lepers, can offer great healing by their presence and non-fear.

***When one walks in fear, all beings, all experiences, all moments, become lepers.***

And so, you are in that moment of preparedness. And it is a great moment indeed. To be ever prepared is to say, "I am ready."

And to declare, "I am ready", is to know that you are here! I am here, I am ready, is the divine gift.

To "be here" is the presence of one who has let go of exclusion and walks through the valley of lepers.

"To be ready", is to embrace preparedness. I am here. I am ready. To be prepared at the initiation and attunement of a cycle is a glorious dance and that calls forth, "I am open." Open is a circular energy.

***To be open is to let go of boundaries.***

***And boundaries cannot be resolved unless exclusions are released. And exclusions are unable to be released unless fear is dropped and one cannot notice the energy of exclusions without the presence of walking through the valley of lepers and noticing what comes forward.***

ARCHANGELIC INSOULMENT

***I am here! I am ready! I am open!***

“To be open”, is to throw open the arms of the physical body, to release the heart of the universal oneness, to be present in the blue jewel energy deep within the cosmic heart that is within the cosmic soul, that embodies the crystalline form, that is ever traveling, ever-present, everywhere, ever expanding.

***It is this energy, without any agenda,  
that travels with the ever-present...loving...knowing...of “guide me.”***

Guide me. Guide me!

## **Healing Presence: Divine Eternal Knowing**

It is indeed our joy...our gift...our moment of presence...to offer to thee this healing energy, this healing reminder, this healing preparedness.

It is, has always been, and will always be deeply coded in:

**“I am here. I am ready. I am open. Guide me.”<sup>2</sup>**

As you are able to see the wisdom of the coded simplicity from all divine realms, you and *all* of “you”, will be able to effortlessly slide through the dimensions with this one simple gift.

***With this divine, eternal knowing:***

I am here. I am ready. I am open. Guide me.

And through this gift, through this preparedness, the Self-Ascended blessed state of crystalline joy embodies, lifts, discerns, and guides.
